

New Style VOC Conference, May 25 2012 at Tilburg University

Call for Papers

Scope

The Dutch/Flemish Classification Society, VOC, aims at communicating scientific principles, methods, and applications of ordination and classification. The VOC is a member of the International Federation of Classification Societies.

The VOC would like to invite you to attend its first new style conference. Contributed papers can be submitted on topics such as classification, clustering, scaling, data analysis, machine learning, pattern recognition, statistical modeling, and applications of classification and data analysis.

Fee

PhD students are encouraged to actively participate; therefore, the conference fee is kept very low (10 euro for VOC members and students, 30 euro for non-members, lunch included)

Keynote

Emmanuel Lesaffre, Department of Biostatistics, Erasmus University Rotterdam and Leuven Biostatistics and Statistical Bioinformatics Centre

Important Dates / Deadlines

March 30: deadline for abstract submission
April 15: notification of acceptance of presentation
May 11: deadline for registration of non presenters
